

BUSINESS & MARKET REPORT

June 12, 2017

announced that Mark O. Eisele, the company's current Vice President–Chief Financial Officer & Treasurer, will retire at the end of August 2017, following 26 years of dedicated service to the company.

Succeeding Eisele is David K. Wells, who is joining Applied as VP–Finance. Both men will work together over the next several months through the company's 2017 fiscal year-end reporting and fiscal 2018 planning processes in order to ensure a smooth transition of responsibilities including oversight of financial, treasury and capital management as well as internal and external financial reporting and investor relations.

Wells will then be elected Vice President–Chief Financial Officer & Treasurer following the filing of the company's fiscal 2017 annual report on Form 10-K at the end of August 2017.

Jacques Dumoucel to GM of Align Aerospace Europe

Align Aerospace, Chatsworth, CA, USA, announces that Jacques Dumoucel has been appointed General Manager of Align Aerospace Europe.

Dumoucel has built his successful career around the supply chain function and the aerospace industry. He has developed his expertise at Renault, Arthur Andersen and then at Daher Logistics where he led the aerospace entity in France and in the UK. Dumoucel was also employed at Sabena Technics where he served as Vice President Airframe, and Industrial Support Vice President.

Dumoucel's main objectives at Align Aerospace Europe will be to continue and to reinforce Align Europe's profitable growth as well as develop cooperation and cross functional projects with his peers to build a stronger Align in China and in the Americas.
